

Welcome to EU-JoinMat website

Welcome to EU-JoinMat's website - a completed project at the National R&D Institute for Welding and Material Testing - ISIM Timisoara funded by ANCS - The National Authority for Scientific Research.

This website is a direct outcome of the project designed as a portal to interconnect the romanian, european and international competences in the field of material joining.

Also do not forget to visit the National R&D Institute for Welding and Material Testing - ISIM Timisoara, the leader of this project.

For a hot event we recommend you the international conference organized by ISIM Timisoara: The 3rd international conference "INNOVATIVE TECHNOLOGIES FOR JOINING ADVANCED MATERIALS", 11-12 June 2009, Timisoara, ROMANIA.
